IS THIS MY HOME?

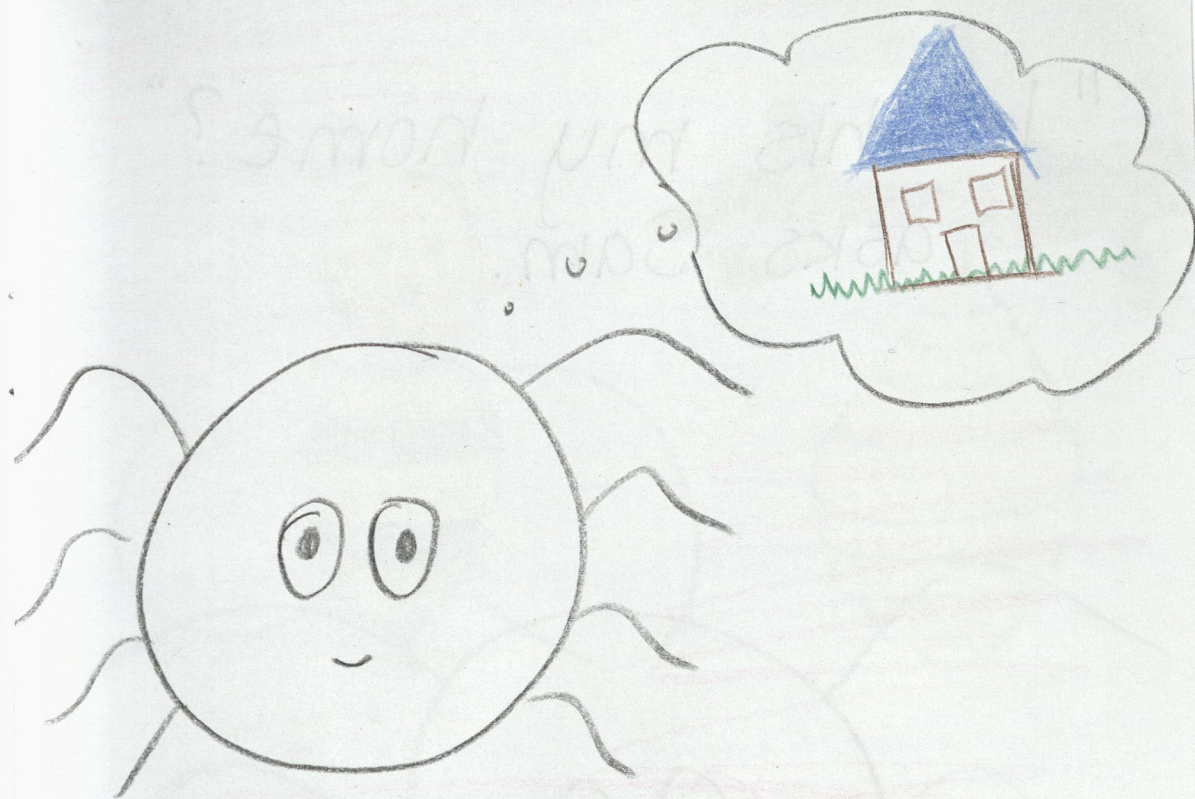

By: Jordan Bride

It is Halloween
day and Sam the
spider left his home to
go trick-or-treating

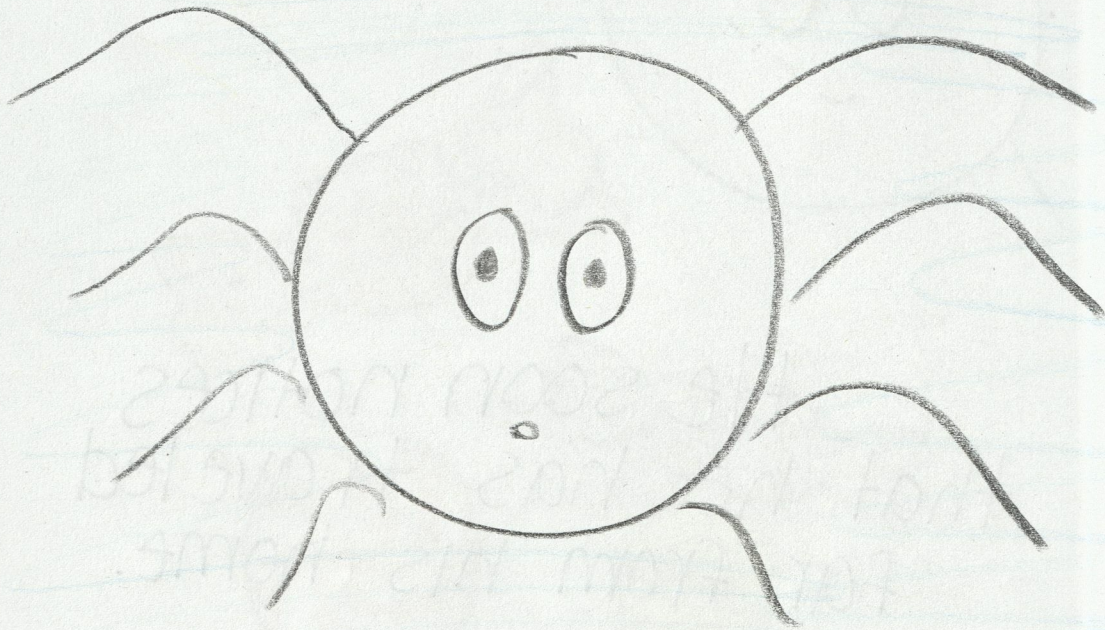

After a long night,
and many of candies
later, Sam is ready for
bed.

He soon notices
that he has traveled
far from his home.

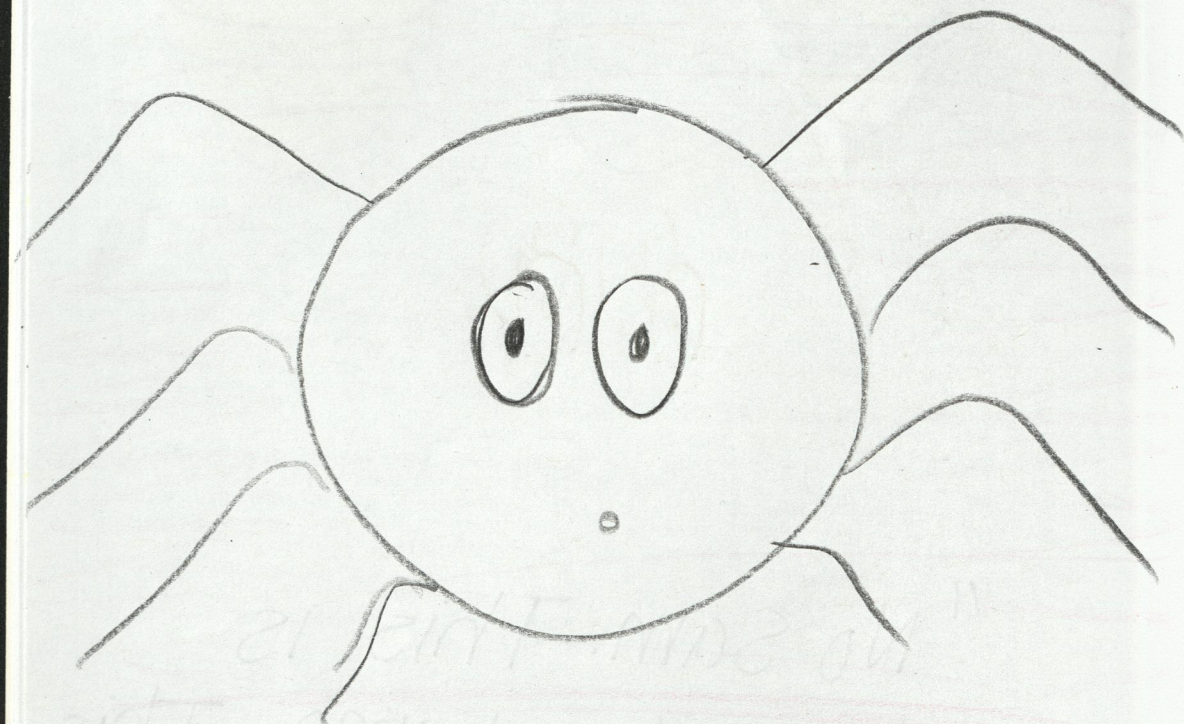

He may need some help
from a few friends
to find his way back

"Is this my home?"
asks Sam.

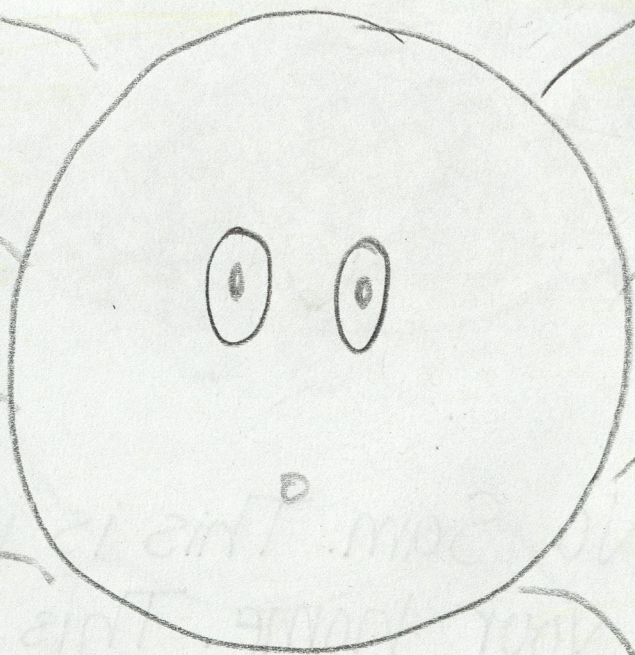

"No Sam. This is
not your home. This
is a bee hive."
answers Bart the Bee.

"Is this my home?"
asks Sam.

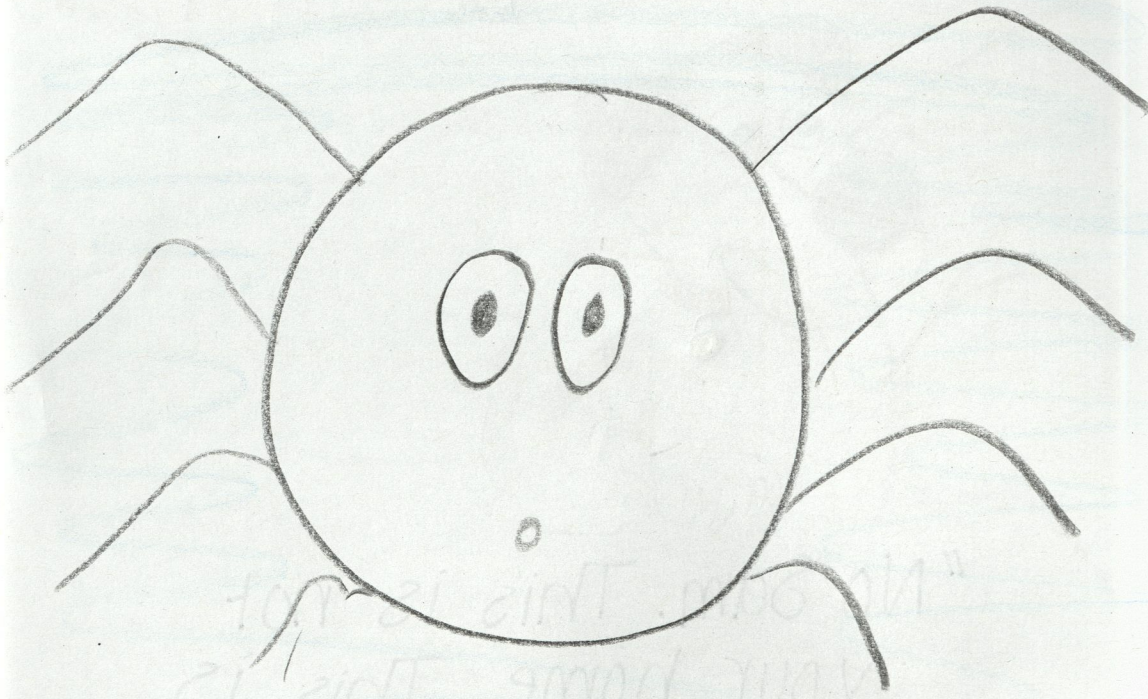

"No Sam. This is not
your home. This is
my birds nest,"
answers Rylie the Robin

"Is this my home?"
asks Sam.

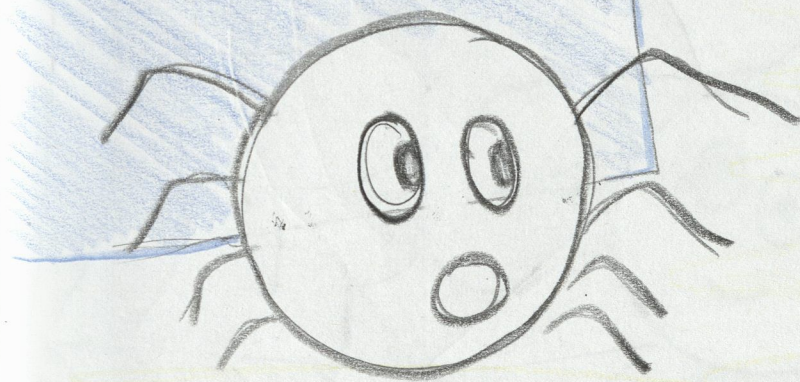

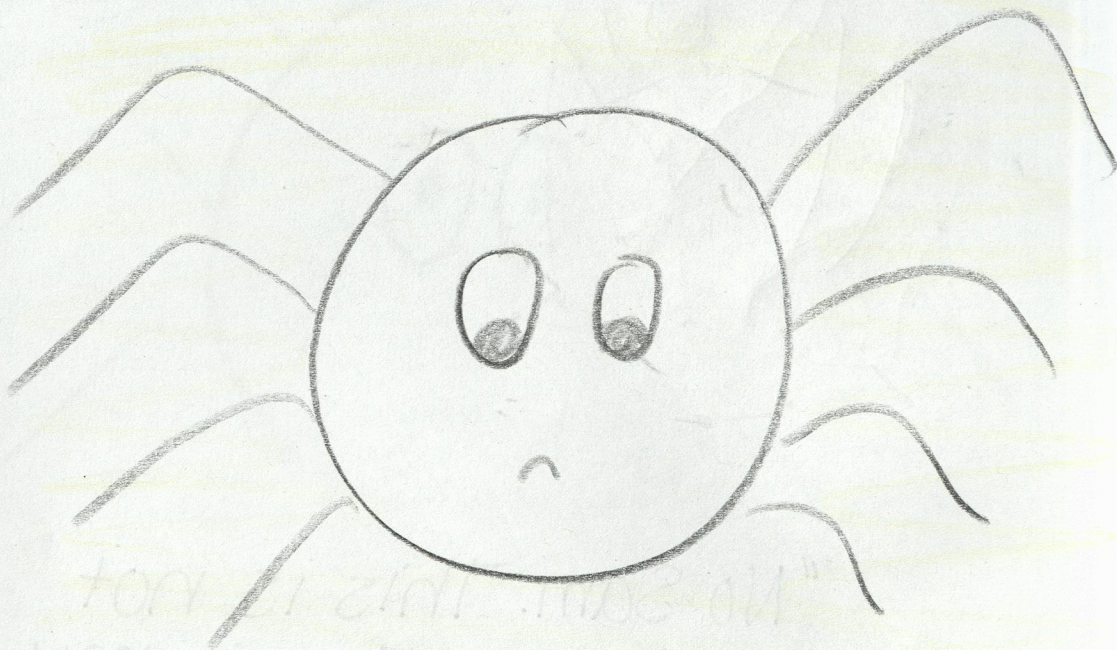

"No Sam. This is not
your home. This is
my dog house."
answers Max the Dog.

"Is this my home?"
asks Sam.

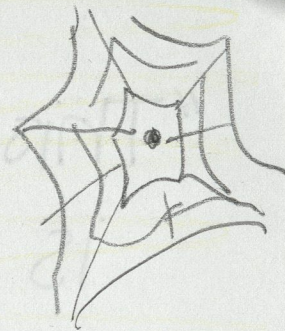

"No Sam. This is not
your house. This is my
Cave,"
answers Brody the Bear.

After many tries Sam
was losing hope in
ever finding his way
back home.

Just then, he
rounded the corner
and couldn't believe
his eyes.

"This is my home. This
is my spider web!"

Sam says in excitement.
